Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

GOODREADS FOR AUTHORS

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 254 x 204 mm. Language: English . Brand New Book ***** Print on Demand *****.Goodreads is a website that is full of the people authors love and yearn for - readers. Amazon obviously thinks Goodreads has massive potential, as they have just bought it. If you are an author, are you using the awesome power of Goodreads to its full potential? It is growing at a phenomenal rate, doubling its membership from 6.5 million users in 2011 to 13 million in 2012. Membership is currently (November 2013) 20 million and rising. An astonishing 21 of Goodreads group members are also book bloggers. These are the people we as authors need to reach. We have to do it in a respectful, professional way though. Too many authors can be seen on other social platforms screaming, Buy my book! . No-one gets away with that on Goodreads. Goodreads users are educated, passionate, and can spot self-promoting authors with ease. You don't need to self-promote, and you don't need to leave your success to luck. What you do need to do is set out in this book - together with a suggested schedule of how to engage your readers via your activity on Goodreads (just minutes each day). It is the result of months of study, research, testing, and writing. The chapters are written in the steps authors need to take to get started on Goodreads: claim your author profile, add your blog (or start one), add videos, photos, quotes, etc., add your book(s), join helpful groups, meet readers and potential readers, harness the power of Giveaways, promote your free days/offers, and much, much more, such as: * Find out how 50 Shades Of Grey and other bestsellers harnessed the...
