Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Brand New Book ***** Print on Demand *****.Excerpt from *Roman Economic Conditions: To the Close of the Republic* This economic study of Rome was undertaken and practically completed in fulfilment of my obligations as Alexander Mackenzie Fellow in Political Science in the University of Toronto during the sessions 1902-1904. The subject was suggested by Professor Seligman's review of Henri Francotte's *L'Industrie dans la Grece ancienne* in the *Political Science Quarterly* (Vol. xvi, No.3.) The aim throughout has been to relate the subject to the primary sources. I have been careful, therefore, to read the original, and to verify references contained in the secondary literature. Students who disagree with the conclusions which have been deduced will be grateful, I believe, that there has been thus collated the material from which conclusions may be drawn. I have not thought it expedient to encumber the foot-notes with an array of secondary literature. I am none the less greatly indebted to various writers for valuable hints and suggestions. In general I have considered it a sufficient acknowledgment of the assistance which an author has rendered me to include his work in my bibliography. No one, however, can investigate any period of Roman history without being indebted to the monumental works of Theodor Mommsen. Bureau de la Malle's *Economie politique des Romains* is somewhat antiquated, but the student of Roman economic history cannot afford to neglect it. Deloume's *Les Manieres d'argent a Rome* is exceedingly suggestive and brilliant, and I have used it with advantage. The quaint old volumes, *The Husbandry of the Ancients* by Adam Dickson, are a patient and laborious, if uncritical, study of Roman agriculture; I felt more at liberty to...
