At the end of your subscription, you have the option to extend your access at a reduced cost. A comprehensive overview of the nutrition, health, and safety needs of young children from birth through school age, Nutrition, Health, and Safety for Young Children: Promoting Wellness, 2/e prepares future educators to implement healthful practices and teach young children ways to contribute to their own wellness. Through anecdotes, cases, and authentic examples, the authors use a storytelling approach that helps contextualize wellness concepts for readers, promote thinking about professional situations, and offer a glimpse into the everyday classroom environment-diverse populations of young children in family child care, child care centers, preschools, and elementary school settings. In this new edition, the text has been...
