For the Irish portion, however, a different limit must be assigned, and in order to give it any completeness or unity, it is necessary to describe the rebellion of 1798, the legislative Union of 1800, and the defeat or abandonment of the great measures of Catholic conciliation which Pitt had intended to be the immediate sequel of the Union. It is marked by obscure agrarian and social changes, by sudden, and sometimes very perplexing, alterations in the popular sentiment, which can only be elucidated and proved by copious illustration. It is also a period of great crimes and of great horrors, and the task of tracing their true causes, and measuring with accuracy and impartiality the different degrees of provocation, aggravation, palliation, and comparative guilt, is an extremely difficult one. About the...
