Reviews

*This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

NOVEL GUIDE

Research Associates of Washington, United States, 2011. Paperback. Book Condition: New. 232 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.The Novel Guide challenges readers, Why not read the best? then provides a running start with as rigorously selected a list of titles as ever compiled. Then for each title a carefully chosen quotation, typically 300 to 500 words, illustrates the nature of the story and the author s writing style. Supporting content includes each author s photograph and 300 examples of art associated with the novel genre including illustrations common to early titles, book covers, chapter headings, related film advertisements, literary award medals, bookmarks, fore-edge art, and cartoons. And the Guide includes a remarkable collection of related commentary dealing with all facets of reading and the fiction industry. All-in-all, the Guide, listing 575 titles and supporting content, should be the novel reader s best friend. The Novel Guide s commentary section covers 22 topics ranging from practical discussions on Readers and Reading, Collecting, and Book Clubs, to such esoteric subjects as Literary Feuds, Deaths Too Early, and Tributes, Epitaphs, and Inscriptions. Would-be authors will likely find the sections on The Writing Craft, The Publishing Industry, and Rejections, at least informative if not necessarily encouraging. Students of the genre will be interested in The State of the Art, Writer s Lives, and Reviews and Criticism. And such peripheral topics as First and Last Lines, Awards and Lists, and Literary Extremes are there simply for your enjoyment. The bibliography lists 127 titles under 19 headings, the major divisions being Biographies, Memoirs, and Conversation, Criticism/Reviews, Guides and Listings, and Plot Synopsis. The 575 reported titles were selected in as comprehensive and informed a manner as possible. The core listing of 257 All-Time Best titles were each so...
