Trafford Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Tyler McKenzie Johns is an excellent story creator. He is a true man of genius. He created this story with monsters and villains that he made up in his past like somebody evil killing the purple dinosaur on TV, Barney, evil knights fighting the dragons of the PBS Kids show Dragon Tales, and monsters abducting the puppet lions of another PBS Kids show called Between the Lions. For this story, he created characters as animals only he would know things about, like prehistoric therapsids (half mammal, half reptile) and cassowaries, which are large black-feathered-bodied birds with blue heads with bony crests on top; those birds are related to ostriches and emus (ratites).
