

A Beginner s Guide to Bonsai

By J D Rockefeller

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Growing a bonsai tree has been a fascination for years. But lately, with the limited space available for most people, especially in the cities, bonsai has really become quite a craze all over the world. The beauty of a bonsai tree is that it can be placed anywhere in your house, in your living room or in your porch. It doesnt take much space. Aesthetically, it looks great and goes with any kind of home décor. It can be grown in any container and placed anywhere to add that natural touch to the place. But does it require no care? Thats not true because just like your regular trees, a bonsai also requires proper care, fertilization and watering. In fact, if you take good care of your miniature tree, it can survive for hundreds of years! Most people also think that only special varieties can be a bonsai tree. Thats also not true. Any of your regular tree varieties can be turned into a miniature version with proper techniques. But where do you start? Thats...
