*****.From the Introduction. There is no branch of legal knowledge which is of more general utility, than that which regards the rules of evidence. The first point in every trial, is to establish the facts of the case; for he who fails in his proof, fails in everything. Although the jurists hold the law to be always fixed and certain, yet the discovery of the fact, they say, may deceive the most skillful. No work has as yet appeared in the English language on the theory of evidence; and the nature of circumstantial evidence has been still less inquired into. The object of the present Essay is to inquire into some of the more general principles of legal proof, and particularly into that species of proof which is founded on presumptions, and is known to the English lawyer by the name of circumstantial evidence. Evidence and proof are often confounded, as implying the same idea; but they differ, as cause and effect. Proof is the legal credence which the law gives to any statement, by...
