At his parents' insistence, he's made sure to get mediocre grades and to stay in the middle of the pack on his cross-country team. Then Will slips up, accidentally scoring off the charts on a nationwide exam, and he is recruited by an exclusive and mysterious prep school - the best school no one's ever heard of, with technology the likes of which no one's ever seen. At the same time, coincidentally - or not so - Will realizes he's being followed by men in dark hats, driving black sedans who pose a terrifying threat to his family.
