Beaver's Pond Press. Hardcover. Book Condition: New. Hardcover. 152 pages. Dimensions: 8.6in. x 5.6in. x 0.8in. You may serve great food. You may have a beautiful building and grounds. You may have the hippest decor. You may have all of the newest technology wants and needs. In today's world, though, that's not enough. Because it's not just about all of those things or whether your marketing efforts bring customers to your place of business. It's about whether your hospitality will bring your guests back. Hospitality from the Heart--Part I is an inspiring fable featuring the likable but burned-out and misguided Jim Watts. Jim has the experience and the work ethic that industry professionals admire and believe lead to success, but Jim still feels as if he is missing something. After finding himself and his wife at the quaint Gottschalk Inn for an unplanned weekend, that missing piece begins to appear and he learns the invaluable lessons of customer service, hospitality, and HEART. Hospitality from the Heart--Part II is where the lessons of the story meet the real world. It is a step-by-step guide for you to apply the principles of HEART into your organization and life. The result: Improved employee engagement, better morale, extraordinary service, greater customer loyalty, and increased profits. And best of all: A better place to work for your team and for you. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
