## THE GLANDS OF LIFE A CONTRIBUTION TO THE STUDY OF ORGANOTHERAPY

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 34 pages. Original publisher: Washington, D. C. : U. S. Govt. Accountability Office, 2010 OCLC Number: (OCoLC)639291990 Subject: United States -- Census, 2010. Excerpt: . . . Table 2: 2010 Census Communications Campaign Components Component Description Partnership program Engages key government and community organizations and gains their commitment to support the census, focusing resources on hard-to-count communities. Among other contributions, partners help recruit census workers, help locate space for Questionnaire Assistance Centers and for testing census job applicants, sponsor community events to promote census participation, and motivate individuals to complete their census forms. Paid advertising Uses numerous paid media sources, such as TV, radio, the Internet, and magazines, to encourage census participation, particularly by hard-to-count populations, such as minorities, renters, and linguistically isolated populations. Public relations Engages audiences via media activities to create credible, memorable messages. Census in Schools Provides schools with lesson plans and teaching materials to support existing curricula so that students can get the message home to parents and guardians that answering the census is important and confidential. Source: U. S. Census Bureau. For the 2010 Census, the Bureau has expanded its outreach to partner organizations, which include state and local governments, community groups, and businesses. The Bureau increased partnerships from approximately 140, 000 during the 2000 Census to more than 210, 000 as of March 2010. The Bureaus partnership program stems from its recognition that without the assistance and support of members of local communities - trusted voices - the message that participating in the census is important and confidential will not reach everyone, particularly those in hard-to-count areas and populations. The Bureau hopes that local people who are trusted by the communities they represent can promote the census and . . . This...
