Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Red Dawn in Retrospect analyzes one of the most frightening prospects of the Cold War: the Soviet occupation of the United States. Even more unsettling are the prospects for Russian and Red Chinese occupation in the post-Cold War period after 1991. In this book, author Nevin Gussack discusses how the following factors weakens the United States, thus paving the way for the Red Dawn scenario: >Free trade and de-industrialization. >Social atomism arising from the destruction of the social contracts which used to exist as a pillar of American capitalism. >Subversives of the Left and neo-Nazis cooperating with the Soviets/Russians, Red Chinese, and their satrapies. >Disarmament and degradation of our defense forces. >Proliferation of Marxist academics within American higher education. This is a must read for all anti-communists, nationalists, and patriots who desire the preservation of the sovereignty of the United States of America. Dedicated to our fighting men and women, along with our intelligence and law enforcement services who serve on the frontlines in the battle against totalitarianism.
