This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

MY FUNERAL, MY WAY: A JOURNAL FOR THOSE WHO WOULD LIKE TO ASSIST IN PLANNING THEIR OWN FUNERAL

Story Merchant, United States, 2014. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Whose funeral is it, anyway? Why, it's yours, of course! Death is one topic that many people feel dreadfully uncomfortable discussing. Planning a funeral, burial, or service for a loved one can be devastating. I believe that the attendees at a funeral, burial, or service deserve to learn about the life and character of the deceased. Wouldn't you want everyone who attended your funeral, burial, or services to know what an amazing person you were? Wouldn't you like them to walk away with more than just tears and sadness? How about if they learned more about your hobbies and interests? What if they discovered that you rescued animals, loved children, loved a particular sport, or enjoyed books, traveling, and classical music? What about the awards you received, the offices you held, the organizations in which you were affiliated. I believe that if your service was personalized, family and guests who attended might have a more intimate experience and leave with an everlasting impression of you and your life. That's why I've created My Funeral, My Way: A Journal for Those Who Would Like to Assist in Planning Their Own Funeral. **REVIEWS** I found My Funeral, My Way to be a wonderful resource for families dealing with loss. How many times have I heard, What would Mom have wanted? or What would Dad have wanted? By keeping this journal, family members won't have to answer those questions, the questions are answered for them. -Carl Goldstein Goldsteins Rosenberg Raphael-Sacks Inc. Funeral Home Southampton, PA This book is a useful tool for aging individuals as well as entire families. As a nurse, I...
