Brand New Book ***** Print on Demand *****.***BWM Romance*** Nyla Freeman hasn't seen her long time childhood friend Caleb Walker in over four years. She's a pre-med student who's looking forward to a well-deserved break from the common stress of being a college student. So she decides that instead of going to Italy with her family during her two-week spring break, she wants to spend it with Caleb instead, who also happens to be a member of an up and coming band called Wildfire, that's well known in the Sacramento area. Women were screaming his name, demanding his attention, while the men stood in awe wishing they could be...
