

Frankenstein Sterling Unabridged Classics

By Mary Wollstonecraft Shelley

Sterling. Hardcover. Book Condition: New. Scott McKowen (illustrator). Hardcover. 224 pages. Dimensions: 8.9in. x 6.3in. x 1.3in. Mary Shelley's groundbreaking classic began as a ghost story for friends; it is a potent blend of science fiction and horror that has inspired countless movie and other adaptations. Nothing, however, equals the depth and beauty of Shelley's original, which remains as relevant as ever. In his arrogance, Dr. Victor Frankenstein dreams of discovering the very secret of life and he succeeds, bringing a new creature into existence. But should man ever play God and if he does, what does he owe his creation? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
