*****. Want to improve your recall and retention from lessons and self study? Want to improve your note taking? You can use this 8.5 x11 notebook to take notes with the Cornell Notes method. The Cornell method provides a systematic format for condensing, organizing and recording notes. The Cornell Notes method was created so you can take more effective notes in class or while studying yourself. You can use them for any subject and you will soon realize how the system is great for helping you recall and learn the topic well. In the Notes section of the page you take notes while in the Cue column you select key words or questions that will best help you remember the information. In the Summary section you add a concise summary of the notes you have taken. A guide to using the Cornell Notes method is included on the first page of the Spicy Journals notebook. This NEW IMPROVED Cornell Notes Notebook also includes a Personal Index - one line for each numbered study note. This will...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
