And a stripper is about to die. When Liz Pendle moves from the north of England to go to university in London, her life is about to change in more ways than she can imagine. Persuaded by her flatmate Zuzzi that stripping is an easy way to make money to pay off her student loan, Liz is soon taking her clothes off in some of London s seediest pubs and clubs. But when a stripper is found murdered, Liz is lured even further into this secret world. She must decide just how far she s prepared to go to help unmask the killer. The lifestyle of strip clubs and strippers is both thought-provoking and captivating and from the opening chapter I felt myself lured into areas of London and people that have, until now, been ignored by most writers.
