This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE SPIRIT: YOUR POWER TO THINK

Createspace, United States, 2013. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.SPIRIT is your ability to THINK. But I can assure you that there are out there humans for whom there is no difference; may be just little. The wider the margin, the more advanced the human being is. I am very certain that by comparison, you cannot place on the same level, one who lives and breathes in the same room with goats and sheep, and one who lives in a mansion even though the one living in a mansion may also own thousands of goats and sheep. There are all kinds of Spirit in our existence. There is the SPIRIT that comes with lying - we are all familiar with that. There is of course the SPIRIT of TRUTH. Now comes the contention. How much of TRUTH is TRUTH? (See The TRUTH, by the same author). Man's ability to THINK is a natural gift from The Creator. If Thinking isn't important, why do we have it? How much of this fact you recognize, and apply, determines your character. You would be surprised how very few are willing to apply this gift of THOUGHT for maximum impact. Yet you hear complains of lack, poverty and unequal opportunities, and blaming this and blaming that for our total inadequacies. This...
