The story is great for teenagers and adults, and is perfect for those who don't like reading books about apologetics. It tells the story of Dr. Robert Benson, a professor of anthropology at the prestigious Lenear University. He loved opening young minds to a godless universe created by natural causes. His life was perfect. until Joshua Green entered his classroom. He'd never met anybody so stubborn, so contradictory, so right! And then came the call that changed everything. His life would never be the same!.
