## SCOTTISH GENEALOGY

DOWNLOAD

The History Press. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 9.7in. x 6.8in. x 1.0in. Authoritative, entertaining, and informative, this reader-friendly reference explains how to get beyond the standard births, marriages, deaths, and census search and dig deeper into genealogy. A comprehensive guide to tracing Scottish family history, this book is designed to exploit the rich resources that the country with possibly the most complete and best-kept set of records and other documents in the world has to offer. Using worked examples and addressing the questions of DNA, palaeography, and the often confusing issues of clans, families, and tartans, Bruce Durie covers both physical and electronic sources, reminding the reader that there are more routes to follow than just the internet, and that not everything written down is correct. Comparisons are made with records elsewhere, and all of the 28 million people throughout the world who claim Scottish ancestry will find something here to help, challenge, and stimulate. Complete with templates and methods which will enable family historians everywhere to exploit the resources available, this is the definitive reader-friendly guide to genealogy and family history in Scotland. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
