By David Jennings

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, What's Still Right with the Church of England: A Future for the Church of England, David Jennings, Can the Church of England survive the 21st century? What needs to change and what remains? How does the Church deal with contemporary challenges and how are these related to the situation it faced in 1966? This book is an evaluation of Bishop Ronald Williams' 1966 book "What's Right with the Church of England" identifying the issues of that time with reference to the issues still facing the Church of England today. These include perception and position, resources and finance, ethics, ecumenism, a liberal church in a liberal society, ministry for today, marketing, and a contemporary parochial ecclesiology. Many of the issues from 1966 have not changed but the context is significantly different requiring different responses.
