Reviews

This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE OLD ENGLISH 'EPISTOLA ALEXANDRI AD ARISTOTELEM'

GRIN Verlag Nov 2009, 2009. Taschenbuch. Book Condition: Neu. 232x149x22 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2007 in the subject English Language and Literature Studies - Literature, grade: 1,0, Ernst Moritz Arndt University of Greifswald (Department for English and American Studies), course: Historical Linguistics and Medieval English Studies, language: English, comment: Paper written in English. Other languages of sources/works cited: Latin, Old English. , abstract: Much time and ink has been spent on the study of the so called Beowulf manuscript which nowadays constitutes the presumably 'most discussed' (LUCAS 1990: 363) Old English manuscript. Contained in this manuscript is the apocryphal Letter of Alexander to Aristotle that will be central to this paper. The multitude of medieval manuscripts (cf. GUNDERSON 1980: 48) of the Letter leave little doubt that it certainly belongs to some of the 'most successful literary impostures of the medieval ages' (RYPINS 1971: xliii). However, its Anglo-Saxon version 'has excited little attention over the years' (ORCHARD 1995: 116). Scholar's interest seems to have been much more with the study of the earlier Latin form of the manuscript (RYPINS 1971: xxx): the Epistola Alexandri ad Aristotelem, which seems to derive from an older Greek version (cf. GUNDERSON 1980: 48). The version of the Letter dealt with here is a copy of an earlier (and apparently lost) Old English translation of the Latin Epistola: Thus 'it is at least twice removed from the Latin' (Rypins xxxvii). It is my purpose to show within this paper that neither the various monstrous beings (vs. SISAM 1962: 96) nor their 'aggression as a particular problem for foreign rulers' (vs. POWELL 2006: 1) that are most commonly said to be the connecting theme of the 'community of manuscripts' of the Norwell...
