Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).
(Taylor Medhurst)

LA POLITICA RELIGIOSA DI GIULIANO L'APOSTATA.

Pagina, 2007. Book Condition: new. A cura di A. Tedeschi. Bari, 2007; br., pp. V-100. (Ekdotis. 4). Nel solco della riscoperta, dopo anni di oblio, dell'opera scientifica e divulgativa di Goffredo Coppola, questo volume propone uno dei contributi più originali, ingiustamente ignorato dalla critica post-bellica. Filologo, papirologo, divulgatore di antichità classiche, insegnò Letteratura greca nelle Università di Bologna, di cui fu anche Rettore. Importanti, in particolare, rimangono i suoi studi su Callimaco e sul teatro greco e latino. Intensa fu l'attività pubblicistica strettamente correlata con la militanza fascista. L'adesione agli ideali repubblicani lo condusse al tragico epilogo di Dongo e fu all'origine di una damnatio memoriae durata più di un cinquantennio. Nota introduttiva di Luciano Canfora, direttore della collana Ekdotis che include anche: Caritone e Senofonte Efesio Inediti di Giovanni Lami a cura di N. Bianchi, Giorgio Pasquali nel Corriere della Sera a cura di M. Marvulli e Il secolo della Sibilla Momenti della tradizione cinquecentesca degli Oracoli Sibillini di C. Schiano.
