Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We have a God with a creative imagination and as Christians, we all have a creative imagination of some sorts. This little book helps tap into that creative imagination and combining it with solid biblical teaching. Colouring-In Devotional - consider it a type of messy church for your devotions as we learn together about the prayer we call the Lord s Prayer. It is perhaps the most repeated prayer in the world. It is said by those professing to be Christian Disciples and also by those who are not. It is given by Jesus Christ as a model for all prayers by those who are following Him. Hence, Jesus saying How you should pray (Matthew 6:9). When it is spoken and prayed, I wonder if some people truly understand what is being prayed! Come inside and use your colouring-in creativity and learn afresh or be reminded about this ancient prayer of Christianity. You will learn more about this prayer, how it can impact your prayer life and all while you are creatively colouring-in as an adult! Here is what a couple of people have said about Colouring-In Devotionals for Adults: Picture this. Get your Bible and pencil case, open your music whatever form it s in. Put on some great worship music and open your very own unique experience to spending time with your creator. What a great original idea, colouring is so relaxing, releases tension and helps our creativity. Highly recommend for mums and kids (and anybody else!) I bought it and gave it to our youth pastor as it is ideal for teenagers as well as adults, especially with the themes. Good present...
