Do you think that it s true what they say about money not being able to buy happiness? I do. Raised with my mother in a poor environment, my life changed drastically when she married a kind and loving billionaire, a man as rich in spirit as he was in wealth, and I was suddenly dropped into the lap of the aristocracy. Adapting was always difficult for me, shy and reserved and lacking confidence as I was, forced to be social in ways that I never had before in the past. What s more, I felt an intense sense of loneliness, harboring a secret crush on my stepbrother Alex for years without him knowing it, and him seeming like he saw the connection between us as nothing more than a simple sibling relationship. I watched for years as Alex destroyed his life with his own wealth, going down a heartbreaking path of debauchery and excess, thinking the whole time that he d forgotten about me in my sad, lonely life. But then one night he comes to my doorstep with a long hidden confession of his own, and I have to ask myself- If you can t buy happiness with money, can you still find a way to be happy despite it? This is a stand-alone Contemporary New Adult Romance novel. No Cliffhanger. Content suitable for mature readers, contains sexual content and harsh language.
