Reviews

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt: .the archduke continued in his devotions for another rapt five minutes. Then he slowly rose, his face pale and twitching. My salute he answered by a motion bidding me to approach. The emperor has just sent me word that war was declared on Russia two hours ago, he said gravely and in a low tense voice. And your imperial highness has just said a prayer for the success of the Austro-Hungarian arms? I ventured to remark. The archduke shook his head. No, not that, he then murmured, as though to himself. I have prayed to God for peace. I fear it will be an awful war, a long war--weary months, perhaps years. Years? I said. Yes, years--I am afraid so--years. And with that he dismissed me. Years, he had said, years. I think he was about the only one in Vienna whose ideas grasped the fearful situation. For during the first burst of war fever nobody I heard anywhere calculated the war to last longer than a few months. That, too, seemed to be the general impression in all the belligerent countries. Another eminently wholesome and well-meaning member of the imperial house is Archduke Frederick, who by reason of the physical incapacity and advanced age of the emperor was appointed, at the very outset of the war, acting commander-in-chief of all the armed forces of Austria-Hungary. Greatly liked and esteemed throughout the monarchy for his sterling character, his equable and cheerful disposition, his admitted...
