

## Inkstains: April

Filesize: 6.05 MB

### **Reviews**

*It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.*

*(Dr. Kayden Gerlach)*

Darkfluidity, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.InkStains is a random collection of stories - fiction and nonfiction of any genre - handwritten daily over the course of a year. When John Urbancik started this project, he aimed to write a story every day for a year. By hand. He found an inexpensive yet fancy fountain pen, started with a Moleskine notepad, and on 1 January 2013 set to writing. He took one mandatory day off monthly. Stories did not have to be fiction. Nonfiction, essays, reviews, memoirs - all genres - everything was open, so long as they were complete. These are the results: failures and successes both. Everything is included. He cleaned up grammar and spelling, and spent months typing up the almost 250,000 handwritten words; he did my best to strengthen the writing where it was weak. The author is very happy with a lot of the stories, and disappointed with others, but some are fantastic. (I m biased. You decide.).
