Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Do not expect bright lights, green men or insane aerobatics as there were none. I have been silent about what I learnt on this day but due to items learned becoming reality, the last few have made me realize I should not take these to my grave ! Do not expect a grammar masterpiece as I am not a writer. Do expect to see where we could go from here and the reality of where we are going. There will be things readers will not like. There are things I do not like. I need professionals to recreate some of the blueprints I saw, scientists to make head or tail of technology I saw, manufacturing techniques and how to arrive at a point where we are allowed to join the info network. I can reveal a global path that will advance us forwards thousands of years, I can explain what other witnesses have seen, the real reasons why some of the wonders of the Earth were built, what some visitors have been up to and changes they made. Best of all was how some planets 10000 to 20000 years ahead of us arrived at a point where their inhabitants were content and obtained 99 leisure and 1 work ! What I learnt on the day was so complicated for me that I find it difficult to talk about without running ahead of myself and changing the subject several times. The book is a condensed version and once someone has read all of it I am open to questions. This saves someone taking in half or less, of the story and that is if they stop long enough to...
