

Nanzan Guide to Japanese Religions (Hardback)

Filesize: 6.52 MB

Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

NANZAN GUIDE TO JAPANESE RELIGIONS (HARDBACK)

University of Hawai i Press, United States, 2006. Hardback. Book Condition: New. 256 x 180 mm. Language: English . Brand New Book. The Nanzan Guide to Japanese Religions combines, for the first time in any language, state-of-the-field theoretical and critical discussions. With concrete resources, students and scholars need to conduct research on Japanese religions. Even seasoned scholars typically approach their research in an unsystematic manner, becoming familiar with a particular area of inquiry while remaining largely unaware of what exists in the rest of the field. This inefficient method hinders particularly less-experienced researchers and circumscribes their lines of inquiry. The Nazan Guide provides both beginners and specialists with a reference that will serve as a basic introduction to Japanese religions and allow them to conduct research more proficiently and in greater depth. Overlapping and thought-provoking chapters, written by leading specialists, offer a variety of perspectives on the complicated and multifaceted field of Japanese religions. The essays are divided into four sections: religious traditions (Japanese religions in general, Shinto, Buddhism, folk religion, new religions, Christianity); the history of Japanese religions (ancient, classical, medieval, early modern, modern, contemporary); major themes (symbolism, ritual and the arts, literature and scripture, state and religion, geography and environment, intellectual history, gender); and practical essays (finding references and using libraries, working with archive collections, conducting fieldwork). A chronology of religion in Japanese history is also provided.
