### ***Reviews***

*The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Spike the Buddhist is the second book in the Spike short story series. From the hand written notes the author claims that his motor cycle accident and being taken in by Buddhist monks are a real even. Excerpt: I finally left my bed and wandered the halls of the monastery. The walls were an old gray, with pictures of bamboo shoots and writings I guess in Chinese. The monks passed me by all clasping their hands together and bowing. I had this weird feeling of being truly welcomed, not as a guest but actually as one of them. I stopped by a large open window, the hills were green, the men farmed the fields others sat in silent. The peace I felt was an overwhelming quiet before the storm riding. The fear I felt was just as strong because I knew the bliss was only temporary. The little boy ran from man to man laughing about something. Excerpt: A mother swan sailed across the pond with her young, the father not too far behind. The water was calm, clean and clear. Unlike me on the inside. I felt damaged, dirty near desperate for hope. I felt like I was plucked from a horrible life and dropped into a world of beauty but beauty that would only last so long. How odd, my birthday and I am watching fowl with a Buddhist monk. I asked Bubba how do I meditate. He said he did not know since he never seen me do such. Then he fell into a heavy laughter, which scared the swans off. I then asked how one breathes when they meditate and we both laughed....
